Each participant will be supplied with:

- Banner with starting number – obligated to mount
- Bib with starting number – obligated to wear
- Printed Roadbook in A5 format, upon arrival
- Roadbook in pdf format through web and WhatsApp, after

technical meeting,

- Time schedule with set times and stamp check

Art.8 TEAMS

Team ranking will be set for national teams and club teams, with added results of the 3 best participants from each nation and club. Teams will be formed automatically after the finish. It is not necessary to register teams. There can only be one team per nation and one team per club.

Art.9 PARTIAL WITHDRAWAL

In case of unexpected circumstances that would lead to participants missing part or full competition, participants should immediately inform the Event Director directly or through other participants. In case any participant, due to these circumstances, misses the first part of the competition, it is possible to continue the competition with acceptance of the penalties given for the first part in accordance with the Rulebook.

Payments cannot be reimbursed under any circumstances.

Art.10 PROCEDURE

The competition is a one-day program:

- **Saturday** program starts with Time Check with 5 time sensors in the no-stop zone, followed by about 110 km long transfer road according to official Roadbook, with average speed of about 30 km/h, with at least 3 stamp checks and 1 time stamp check. After 110 km there will be 5 more Time Checks and lunch. After lunch there will be a time stamp check after which there will be approx. 130 km long transfer road according to official Roadbook. The program finishes with a third Time Check with 5 sensors in the no-stop zone at arrival. Participants start in starting number order on Time Schedule set time

every 1 minute.

The events consists of several stages, where the following checks will be found:

- T.C.: The Time Check is a checkpoint where Timekeepers verify the correspondence with the times indicated in the Road Book schedule.
- S.C.: The Stamp Check is a passage check, where recognizable officers along the route will verify that the participants are following the correct itinerary. The position of the checkpoint will be clearly indicated, and a stamp/endorsement must be affixed on the participant's Road Book schedule.
- T.S.C.:The Time Stamp Check

The purpose of the TSC is to control both the correct established route and the imposed average time. In case of early arrival due to speeding, the participants will not be able to continue until they mature their transit time, which is defined in the Time Schedule.

The participant has to present himself with his or her Vespa at the officers to get a stamp at the indicated time on the Time Schedule.

The participant who presents himself later than the indicated time or without Vespa will receive 500 penalty points.
